

Spectacular Savings Are Yours! The **BAS1 Coat** and the **BAS1 Trouser** **CALL US TODAY FOR SPECIAL PRICING!**

This is a traditional style turnout ensemble that features a 35" coat, and the combination of a Black ADVANCE™ Outer Shell, CROSSTECH® Moisture Barrier and ARALITE® Thermal Liner for excellent durability, comfort and protection. The "Chicago Style" closure utilizes hooks, dees and Velcro for easy donning and doffing.

Included on the coat is a radio pocket for communications storage and an extra layer of thermal liner across the yoke and shoulders for increased thermal protection. The lo-rise style trouser features a 2" lower waistband than the GX-7 for a "street clothes" feel without sacrificing performance. Padded black leather knees and leather cuffs add comfort and durability. 10" x 10" expansion pockets on the trousers allow plenty of room for tools and supplies. When you're looking for safety, comfort and feel, look no further than the BAS1!

The BAS1 meets NFPA 1971

Coat Standards
