# ABOUT US

Intertek

Curtis delivers firefighting and emergency products and services in a way that exemplifies our core values of Quality, Service, Integrity and Caring. We are a Verified Independent Service Provider (ISP) and can help you meet your NFPA 1851 goals. Our PPE Care & Maintenance specialists are dedicated to the inspection, cleaning, and repair of personal protective equipment and ensemble elements used for structural, wildland, EMS, USAR, industrial, and aviation firefighting applications. We also provide end users, distributors, and manufacturers a highly skilled resource for aftermarket alterations, modifications, and accessories for PPE.
